## TIGERS AND PIRATES READY FOR FIRST CLASH TOMORROW

Great Sums of Money Laid on Result of World's Series With  
 Pittsburg Preferred--Probable Line Ups.

(Special from United Press.)  
 Pittsburg, Oct. 7.—Brimal of confidence and ready for play in the world's championship series to start tomorrow, the Detroit Tigers three times winner of the American League pennant, and as many times a contender for the world's championship, arrived in Pittsburg early today. Members of the National Baseball Commission also arrived and with the Pirates already at home the three big bodies figuring most prominently in the contest of Friday are now ready for the start.

Never before has the advance sale of seats for world's series games been as great as for the series about to be played. Eight thousand reserved seats are already sold for each of the two games here. Out of town fans arriving here are bringing thousands of dollars to bet. One bet of \$5,000 to \$3,000 on the Pittsburg team was registered last night while a well known broker played \$10,000 at 2 to 1 and 8 to 5. There seems to be a carload of Pittsburg money and every Detroit offer is snapped up. Few bets are now being made at even money. The Detroit backers getting odds of from 2 to 1 to 5 to 1.

The new seats at Forbes Field were completed late yesterday and the grounds will be inspected today by the National Commission. It is certain that there will be plenty of room as the Forbes field is a large one. The commission ruled that the field should be cleared on the right and left out lines for a distance of 235 feet and in center 275 feet. The playing area at Forbes is much larger than that required as the field is clear for a distance of over 300 feet from all four lines. Arrangements for police protection and handling the enormous crowds at the park have been completed although Chief McGuire is now figuring on whether it will be necessary to have a squad patrol the "all-nighters" that are expected at the bleacher gates to-night. The first game will be played at 8 o'clock and the second at 10 o'clock.

One enthusiastic fan placed a bet just outside the gate Tuesday night and has not left since. Probably never before have two teams met where individual play as well as the team play will be watched and speculated on as closely as in the coming series. Bets have been posted as to whether or not Wagner will out-bat Cobb but the latest is whether or not Owen Bush, Jennings' young and fast shortstop, will outshine Wagner in the field. Pittsburg fans cannot imagine a greater man in the field than Honus but the visitors are already spreading the fame of Bush as a fielder. Both Managers Jennings and Clarke put their men through rigorous practice this morning and both expressed confidence of being the winner. Neither manager is experiencing any trouble in having his stars keep in form.

Camnitz has entirely recovered from his recent illness and Clark will either send Camnitz or Adams to the box in the opening game.

Jennings will rely upon either Mullin or "Wild Bill" Donovan. The probable line-ups:

Pittsburg—Byrne, 3b.; Leach, cf.; Clark, 1b.; Wagner, ss.; Miller, 2b.; Abstein, 1b.; Wilson, rf.; Gibson, c.; Adams or Camnitz, p.

Detroit—B. Jones, 1b.; Bush, ss.; Crawford, cf.; Cobb, rf.; Delehanty, 2b.; Moriarty, 3b.; T. Jones, 1b.; Schmidt, c.; Mullin or Donovan, p.

The games start at 2 p. m. Eastern time.

known that Donlin would not be with the Giants.

After the contest in New York yesterday the Detroiters packed up and took an easy jaunt last evening to Pittsburg. They will arrive in time to have a good night's rest before the opening of the big show to-morrow.

The National Commission yesterday fined the New York American club \$30 for violation of the waiver clause in relation to purchased players. The Yankees sent Second Baseman Wanner purchased from Hartford to the Jersey City club, without having secured the necessary waivers.

Included in the contracts recorded with President Heydler of the National League announced to-day is Charles Evans with Boston, and Arthur McCabe with Cincinnati. Charles Evans is none other than "Chic" who did the twirling for the Senators this season, while Arthur McCabe is the well known "Swat" of New Britain, the leading Connecticut league swatter for the past two seasons.

Ex-Chief of Police Bill Devery of New York was the highest bidder for the ball used by Christy Mathewson at the benefit game for Sam Rice yesterday in New York. He bid \$275. "Tad" Dorgan, cartoonist on the New York Journal bid the highest on the bat autographed by Ty Cobb.

It is authentically announced that if Ted Jones can secure the consent of his parents he will sign a New York National contract for next season and will hold down first base.

As a result of their three day barn storming trip in this state the Yankees have been enriched \$150 per player. The largest amount was pulled out in Hartford. The fans in Hartford were disappointed in not having Fisher pitch against the Athletics. Fisher severely injured his arm before one of the games as a result of a collision in practice while catching a fly ball.

Two former Hartford pitchers opposed each other in the Philadelphia-Boston game yesterday. Foxen twirled for the Quakers winning his game 7-1, while Evans twirled for the Doves.

The make up of the All-National team which is to tour the West is: Pitchers Johnson of Washington, Marquand of the New York Nationals, Curfiss of the Boston Nationals and Moore of the Philadelphia Nationals; catchers, Myers of the New York Nationals and Bliss of the St. Louis Nationals; infielders, Emonch of the St. Louis Nationals, Doyle of the New York Nationals, Lennox of Brooklyn and Egan of Cincinnati; outfielders, Beecher of Cincinnati, Hummel of Brooklyn and Ellis of the St. Louis Nationals. Snodgrass of the New York

## ELKS' BENEFIT GAME GIVES CRANE \$8,000

Double and Triple in Opening Innings by Detroit, Off Mathewson.

An exhibition game between the champion Detroit Tigers and the New Yorks of the American League was played yesterday at New York for the benefit of Sam Crane, the veteran player and writer, who has gone South for his health. The game was in charge of Elks Lodge No. 1, of which Crane is a member, and over \$8,000 was netted. Christy Mathewson pitched three innings for the Yankees and "Iron Man" McGinnity for the Tigers. The Detroiters although without the services of their two cracks, Ty Cobb and Sam Crawford, won the contest. Large sums were paid for the boxes, all going to swell the funds.

Mathewson started for the Yankees, pitching three innings. Davy Jones, the first Tiger up, pumped a Texas leaguer into right field which went for two bags. Matty then struck out Bush. "Duke" Farrell hit a ball get by him, allowing Jones to get third. Moriarty walked and when Farrell threw to catch Moriarty stealing second Wanner fumbled the ball, Jones scoring. Another ball passed Farrell and Moriarty scored. Delehanty struck out, but Tom Jones caught one of Matty's fade aways for a three bagger into center field. He was out trying to stretch the hit into a homer.

The Yanks went out in error in the first and second, but in the third Farrell hit McGinnity for a double. McIntyre dropped Mathewson's fly and Cree hit the "Iron Man" for another double, scoring the two runners. Lake and Blair relieved Mathewson and Farrell in the fourth. The fifth saw the storling away of the game for the Tigers, who annexed four runs. Gardner and Wanner, both former Connecticut Leaguers, each got two hits off McGinnity. Joe Casey, last sediton with Hartford, relieved Stange behind the bat in the sixth session, holding McGinnity up in grand style. He slapped out one hit in his only appearance at the bat. The score:

Detroit, 2 0 0 0 4 0 0 0 2-8  
 New York, 0 0 0 0 1 0 0 0-4

Batteries: McGinnity and Stange and Casey; Mathewson, Lake and Farrell and Blair.

## YOSTS AND WEST ENDS ARE STILL WRANGLING

Public is Getting Tired of Pettling Bickerings Over Claim of Players

When the West Ends and the Yosts reach the second game of their series Saturday at Newfield Park, it is expected the Yosts will play Pitcher Amos Johnson in right field. Johnson has been objected to by Manager Ritchel of the West Ends because Johnson is also a member of the club. The Yosts say the West Ends have the pick of the State while they are compelled to limit their team to men employed at week of pitcher Wilson of the Yosts also was forced to retire from the game on account of an injured thumb, which is still quite sore and speculating on as closely as in the coming series. Bets have been posted as to whether or not Wagner will out-bat Cobb but the latest is whether or not Owen Bush, Jennings' young and fast shortstop, will outshine Wagner in the field. Pittsburg fans cannot imagine a greater man in the field than Honus but the visitors are already spreading the fame of Bush as a fielder. Both Managers Jennings and Clarke put their men through rigorous practice this morning and both expressed confidence of being the winner. Neither manager is experiencing any trouble in having his stars keep in form.

Camnitz has entirely recovered from his recent illness and Clark will either send Camnitz or Adams to the box in the opening game.

Jennings will rely upon either Mullin or "Wild Bill" Donovan. The probable line-ups:

Pittsburg—Byrne, 3b.; Leach, cf.; Clark, 1b.; Wagner, ss.; Miller, 2b.; Abstein, 1b.; Wilson, rf.; Gibson, c.; Adams or Camnitz, p.

Detroit—B. Jones, 1b.; Bush, ss.; Crawford, cf.; Cobb, rf.; Delehanty, 2b.; Moriarty, 3b.; T. Jones, 1b.; Schmidt, c.; Mullin or Donovan, p.

The games start at 2 p. m. Eastern time.

## BIG LEAGUE NOTES

The first game in the world's series starts to-morrow at Pittsburg.

Weak in the knees with age, and tottering with a season's load of care, the National league season is preparing to pass out of public attention. Two games to-day will force the win-  
 New York Nationals and Boston Americans will have a little post season contest all of their own, to allow the players to take up a piece of easy change.

Out west there is interest displayed in the White Sox-Cub series which starts to-morrow.

There was nothing in the Pittsburg team in the early Spring which should cause any one to suggest that it was a stronger pennant factor than either New York or Chicago. This was before any games had been played. When it was not known that Kling would not be with the Cubs, nor was it

## FRENCH COUNTESS IS DISTURBED BY "JIM" JEFFRIES

American Fighter Using Fashionable Hotel as Training Quarters.

Calls Johnson a Flat Footed Bluffer and He's Coming Home to Show the Big Smoke Up.

London, Oct. 7.—James J. Jeffries declared here today that he was tired of the bluffs being made by Jack Johnson and that he would make him agree to fight as soon as he (Jeffries) returns to the United States or brand him as a coward.

"I'm as fit as a fiddle to show that I am still the heavyweight champion of the world," declared Jeff today, "and I am going back to clinch a match with this big flat-footed bluffer. I know positively that Johnson does not want any of my game but I am also convinced that public opinion will force him to fight."

"I expect that the fight will take place in the United States. The report that an attempt would be made to have it take place in France or Australia is improbable. None of the sporting men in either of those countries could afford to offer as good a purse as we can draw in the United States and I naturally will go to the club offering the most money."

Jeffries is staying at the Waldorf Hotel and has already caused the management much woe. French Countess who occupied a suite under that of the American pugilist demanded that her rooms be changed as she was unable to sleep because Jeffries spent much of his time exercising. Other guests complained that his training in the hotel disturbed them and the management insists that it will be glad when he sails.

## UNDER ONE MANAGEMENT

Change Agreed Upon at Meeting of Democratic Association.

At its meeting last night the Democratic Association of Bridgeport adopted by-laws, the chief clause of which has the effect of making the management of the Democratic party of Bridgeport and the management of the club identical.

The by-laws provide that the board of governors shall consist of the members of the executive board of the Democratic party of the city of Bridgeport, including the town chairman, and that they shall hold office as members of the board of governors during their membership on said executive board, and that said board of governors shall have general direction and supervision of the affairs of the association.

The other officers of the club are a president, a secretary and a treasurer, who are to hold office for one year. This plan was adopted upon the advice and suggestion of Town Chairman M. A. Kenny and is intended to promote party solidarity.

## PLANS LONG CAMPAIGN.

Gibraltar, Oct. 7.—It is learned here today that an armed train has been forwarded to General Marina's command near Melilla, for use on a narrow gauge road which the Spanish troops opposing the Rif tribesmen are building to connect Seisano and Nadzor. Both of these points are being strongly fortified and heavy guns are being placed in position to repulse any attack. It is evident that General Marina has been convinced that the subjugation of the Rif will necessitate a long campaign and is preparing for extensive operations.
